BORROW

Take advantage of Household's Lower Rate

- Household's lower rate on loans above \$100 up to \$300-nearly a third under the maximum rate allowed by the Small Loan Laws means money in your pocket.
- For example, on regular \$300 loans, repaid on our twenty month's plan, you save an average of \$1.50 every time you make a payment.
- And with the lower cost, you get all of the advantages of the nationally famous Household Loan Plan ... only husband and wife need sign . . . no embarrassing investigations . . . you get every cent you borrow . . . quick and courteous service . . . 20 months to repay.
- Why pay more? Why accept less service? Come in and talk it over.

Another Chip OFF THE OLD BLOCK

We've just hewed another fair sized chip off the old block that stands between the farmer and you. We mean the expense of bringing food from the men who grow it to the women who cook it.

Last year, after buying food in the best producing sections, it cost us \$35.51 a ton to get it to you - an expense which, of course, went into the price you paid.

But this year, by dint of hard work, we've succeeded in chipping the old expense block down to \$32.66—a saving to customers of almost \$3 on every ton of food

This is a saving to American housewives of about \$300,000 every week of the year.

By keeping the difference between what the farmer receives for food and what you pay for it as small as possible, we can sell food of the highest quality at very low prices.

BALANCE NOW WEIGHED BY PUBLIC OPINION POINTS TO C. W. HERMAN HESS FOR MAYOR

Become the "Popular" Choice of the Voters

Because the thinking people are tired of having a few politicians say who should hold office, and how our city should be governed.

Mr. Hess, believes that industries should be encouraged to locate in New Castle.

That the local merchants should be protected from undue outside competition.

That the city should have a more efficient police department, Mr. Hess stands for and will work for a more efficient and business administration, and will at all times work for the best interest of the city.

Mr. Hess will give the city what it has long needed-an active and progressive administration.

Their is no other candidate, who has the qualifications for mayor,that will give our city a real leader. C. W. Herman Hess is:

-THE BISON WAS THE RED MAN'S STAFF OF LIFE. HE ATE ITS FLESH, ITS HIDE KEPT HIM WARM. THE WHITE HUNTER, MAKING STEADY INROADS IN THE HERDS AND DRIVING THEM AWAY, WAS THEREFORE REGARDED AS A DANGEROUS ENEMY TO BE DESTROYED

- THE REDSKINS WERE ALARMED AND AROUSED AS THE TRAPPERS INVADED THEIR HUNTING GROUNDS IN INCREASING NUMBERS. OMINOUS "POW- WOWS" WERE HELD IN THE COUNCIL LODGES OF THE BLACKFEET, ASSINIBOINS AND ARIKARAS.

-IN 1920 CAME A SERIES OF BLOODY CLASHES! MANY TRAPPERS, WORKING ALONE, FELL VICTIMS TO THE FURY OF THE INDIANS. EVEN LARGE PARTIES WERE ATTACKED AND FORCED TO SEEK REFLIGE WITHIN THE WALLS OF THE TRADING POSTS.

Lockleys Defeat Cancos 7 To 1 To Take Class A Title Saturday

The Lockleys are the class A New Castle Mushball League champs, due to their 7 to 1 victory over the American Can Company Cancos team at the Can Works field on Saturday afternoon. The game attracted quite a large crowd. The Lockleys took two out of three games. It was a hardfought series. Beres and Rodgers hooked up in a mound duel, with the latter the most effective, allowing but four hits and fanning three men. Beres was combcd for seven hits. Rodgers was only in danger in one inning, the sixth, when the Can Company got their lone tally. In the first, third, fourth, fifth, seventh and eighth he retired the side in order. Beres hurled a nice game, but was

The Ross brothers were the big stars in the Lockley camp, Campbell Nickie, the outfielder, cut off a Canco rally in the second inning. Rotary Club Takes Action At Meeting Today-Good Reports Rendered

At the weekly meeting of the New Castle Rotary Club held in the Castleton, a resolution was adopted urging that the matter of selecting a site for the new post office here be settled at once in order that the work of construction may go forward to remedy the present unemployment condition.

The major portion of today's meeting was devoted to the reading of the report of the Aims and Objects Committee, which will be published in detail later. Reports were also submitted by

Unique Cooling System Is Seen

Most people would object to two inches of water collecting on the roof of a building but not Louis Round, vice president and general manager of the Pennsylvania Power company. There are two portions of the roof of the New Castle Electric company building at Public Square and Diamond way which contains two inches of water. Round said that the roof is guar-

anteed to hold two inches of water and both portions are filled now. One portion is the roof in the front of the building and the other is the roof of the annex. He say that the annex roof pool furnishes "cool breezes" for the offices adjoining the roof.
